Growing in Faith Diakonia NJ Steering Committee

Please accept the enclosed check in the amount of \$100.00 with our thanks for making Good Shepherd facilities available for the March 7, 2026 Gathering. Your generosity was a blessing to our participants and the helped share personal growth for those anxious to share the Good News of Jesus Christ with others.

The program we offered had attendees from many New Jersey congregations and was focused on Evangelism. It was presented by five members of the NJ Synod "Go and.. "Team who were thankful for the opportunity to share their message.

Our guests were impressed with the church building and the handicap access was appreciated. The team found all rooms user friendly and the kitchen facilities very helpful, as well as the support of Carlos in setting up tables and chairs, and Garreth Chilcoat for making TV and Screen presentations possible.

With sincere thanks,

Joan Grace
