

Dear Good Shepherd congregation,
Thank you for your financial support for our
Cross Roads camp experience. We made new
friends and are closer to God. Leadership
lab was very fun. I ~~was~~ learned lots of
new ways to be a leader and help
people. Also, there were many fun activities.
We can't wait to go next year
and learn even more!

Dear Pastor,

Your gift is more than support – it's a seed.

And from it grows safety, confidence, healing, and the quiet strength survivors rediscover when someone believes in them.

Because of your generous gift of 45 Filled Backpacks, a family will have a great start to a promising new school year.

Thank you for standing with Safe + Sound Somerset in such a meaningful way. But I'd love to know: *What part of our mission speaks to you most?*

Your voice helps shape our vision for the year ahead. Your answer helps guide our future — and I'd be grateful to hear it.

With gratitude,

Dear Pastor Scholl,

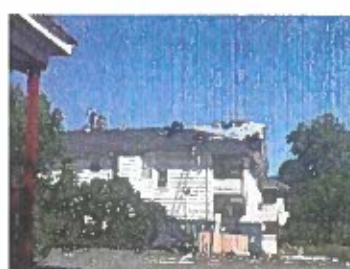

We would like to express our gratitude to you for being a pledging supporter of our Project HOMEBase. So much has been made possible by the support of Good Shepherd Lutheran Church. We have a wonderful update to report. Since the mid-June closing on the property at 88-90 West End Ave., the July improvements brought roof and chimney renovations and window replacements. We are excited for the electrician to begin in August. We are well on our way to a move into our new HOME and being able to expand our services.

We are also happy to report that we currently have achieved 88% of our goal in funds raised in the campaign.

Thank you again for your involvement in Project HOMEBase. If you have any questions about the campaign or your pledge status, please contact the office and ask for me or send me a note at martha@homescnj.org.

Respectfully,
